EC Directive no. 1907/2006/„REACH-Directive“

Dear customer,

Thank you very much for your inquiry.

Being supplier of consumables (mixtures and articles) for mass finishing technology, we are considered - in the sense of the REACH-Directive - as “**downstream user**”.

Here, our liquid, powdery and paste products are "mixtures" (“preparations”), the chips are "articles”.

SVHC-substances (Art. 33, REACH-directive)

We are pleased to confirm, that our mass finishing consumables (articles) do not contain any so-called **SVHC substances** according to the candidate list (**issue 27.06.2024**).
